The Weils is pleased to present The David and Freda Robinson Residence, an assisted living memory care community located on its campus in Chagrin Falls, Ohio. This beautiful new pavilion offers an alternative for individuals who need supervision and assistance with the activities of daily living. Every detail of this warm and inviting residence has been designed to promote a feeling of security and engagement.

In our ongoing efforts to assist families and loved ones navigate the memory care journey, we will offer quarterly care plan meetings, educational programs, and caregiver support groups, along with family and holiday celebrations.
